Sub: Dewas Industrial Water Supply Project.

Dear Sir / Madam,

Further to our intimation dated August 28, 2017 on the subject, please be informed that Madhya Pradesh State Industrial Development Corporation Limited (MPSIDC) and Dewas Waterprojects Works Private Limited (a wholly owned subsidiary of the Company) have entered into the Concession Agreement on January 09, 2018 for restructuring the Dewas Industrial Water Supply Project under the Madhya Pradesh Infrastructure Development (Swiss Challenge) Guidelines 2014. The estimated project cost of the restructured project as per the bid documents of the project is Rs 118.0 crore.

The project construction schedule is 12 months and the Concession Period is up to June 15, 2037, after which it will be transferred to MPSIDC.

The restructured project involves the development of a water supply project to supply treated water of up to 23 Million Litres per Day (MLD) to industrial customers in Dewas during the Concession Period. Once the restructured project is operational, the earlier Dewas Industrial Water Supply Project from Nemawar of the Company will be handed over to PWD, M.P. Government, at no cost.

Kindly take note of the same.

Thanking you,

Yours Sincerely,

For Welspun Enterprises Limited
