Item No. 1 and 2

The Company, either directly or through its subsidiaries and project Special Purpose Vehicles (SPVs), regularly evaluates or undertakes various growth opportunities, investments, capital expenditure programmes, financing arrangements and infrastructure projects.

In connection with the development and implementation of certain infrastructure projects, including projects being undertaken through SPVs, such entity(ies) may avail debt facilities from banks, financial institutions, multilateral agencies and other lenders. Such financing arrangements may require the Company to provide support, undertake funding commitments, make strategic investments and, where considered appropriate, avail financial facilities and create security interests in accordance with applicable law and commercial requirements.

The members of the Company had earlier approved borrowing limits and powers to create security pursuant to Sections 180(1)(c) and 180(1)(a) of the Companies Act, 2013. In view of the Company's future business requirements, proposed investments, project opportunities, financing arrangements and the need for greater financial flexibility, the Board considers it appropriate to seek fresh approval of the members for enhanced borrowing powers and security creation powers.

Pursuant to Section 180(1)(c) of the Companies Act, 2013, the Board of Directors of a Company can borrow monies in excess of the aggregate of the paid-up share capital, free reserves and securities premium account of the Company only with the approval of the members by way of a Special Resolution.

Accordingly, approval of the members is sought to authorise the Board to borrow monies from time to time, upto an amount of Rs. 8,000 Crore (Rupees Eight Thousand Crore Only), notwithstanding that the aggregate amount of such borrowings may exceed the aggregate of the paid-up share capital, free reserves and securities premium account of the Company.

The borrowing arrangements entered into by the Company from time to time may require creation of mortgages, charges, hypothecations, pledges, assignments or other security interests over the undertakings, properties, assets, investments, receivables and cash flows of the Company in favour of lenders, trustees or other secured parties.

Under Section 180(1)(a) of the Companies Act, 2013, the Board of Directors may create such security over the whole or substantially the whole of an undertaking of the Company only with the approval of the members by way of a Special Resolution.

Accordingly, approval of the members is sought to authorise the Board to create such security interests from time to time, upto an amount of Rs. 11,000 Crore (Rupees Eleven Thousand Crore

Only), for securing the borrowings, obligations and financial accommodations of the Company.

The approvals sought under Item Nos. 1 and 2 are enabling approvals intended to provide the Company with the operational and financial flexibility required for its business activities, investments, financing arrangements and project-related opportunities from time to time.

Item 3

Welspun Enterprises Limited ("Company" or "WEL") had received a Letter of Award dated April 29, 2026 from Maharashtra State Infrastructure Development Corporation Limited ("MSIDC / Client"), for construction of a 6-Lane Partially Elevated Highway Corridor along with improvement of the existing road from Km. 10+600 to Km. 64+000 (Pune-Shirur Section of NH-753F) in the State of Maharashtra, having a minimum design length of 53.40 km, on Design, Build, Finance, Operate and Transfer ("DBFOT") (Toll) basis ("Pune-Shirur Project" or "Project"). The Project has an estimated cost of approximately ₹7,300 Crore and a sub-concession period of 29 years, including a construction period of 4 years commencing from the appointed date.

Pursuant to the requirements of the Client and the proposed financing structure, the Project is proposed to be implemented through Welspun Pune Shirur Projects Limited ("WPSPL"), a Special Purpose Vehicle (“SPV”) incorporated for undertaking the Project and performing the obligations of the concessionaire under the project documents.

The proposed financing structure envisages implementation of the Project through WPSPL as the project SPV and borrower entity, with Sponsor support being provided through group entity(ies) and promoter Sponsor support being provided by WEL.

As part of the proposed financing structure, WPSPL intends to avail various fund-based and/or non-fund-based credit facilities from banks, financial institutions, multilateral agencies and/or other lenders aggregating up to approximately ₹6,350 Crore ("Project Facilities") for development and implementation of the Project.

For the purpose of obtaining the Project facilities, the lenders have requested WEL to provide certain support arrangements in favour of WPSPL and/or to the lenders of WPSPL. Such support arrangements may include promoter support undertakings, guarantees (including but not limited to performance bank guarantee), assurances, indemnities, commitments, comfort letters, credit enhancement arrangements, undertakings and/or such other support obligations as may be required by the lenders from time to time in connection with the Project facilities.

The proposed support arrangements are intended to facilitate financial closure of the Project and enable WPSPL to raise long-

term financing on commercially acceptable terms. The exact nature, form and terms of such support arrangements may be determined by the Board in consultation with the lenders and other stakeholders and may be modified from time to time having regards to commercial, legal, regulatory and financing requirements.

The Board believes that the proposed support arrangements are commercially prudent, consistent with prevailing infrastructure project financing practices and necessary for achieving financial closure and implementation of the Pune-Shirur Project.

WPSPL is a related party of the Company within the meaning of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). Accordingly, approval of the members is being sought by way of an Ordinary Resolution.

The particulars of the proposed material related party transaction, as required under the Listing Regulations, applicable SEBI Circulars and Industry Standards, are set out in the Annexure forming part of this Notice.

The Audit Committee and the Board of Directors have reviewed the rationale, commercial terms and overall benefits of the proposed transaction and are of the view that the same is in the interest of the Company and its stakeholders. Accordingly, the Audit Committee and the Board recommend the Ordinary Resolution set out at Item No. 3 of the Notice for approval of the members.

Except for Mr. Lalit Jain – Chief Financial Officer of WEL and a Director in WPSPL, to the extent of his designation in both the entities, none of the other Directors/ KMPs of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at Item No. 3 of the Notice except to the extent of their shareholding, if any, in the Company.
