

Quality Policy

Welspun Enterprises Ltd is committed to expeditiously deliver quality infrastructure projects that comply with the applicable standards and specifications while maintaining profitability.

Welspun Enterprises Limited ensures continual improvement through Technology & Collaborative implementation of quality processes.

Quality Objectives:

1. To ensure continual improvement in customer satisfaction.
2. To achieve Operation Excellence & Sustainability by reducing consumption of natural resources.
3. To pursue excellence in Quality and Operations by training Welspun's and Sub-contractor's staff on regular basis.
4. To select best business partner who will support delivery of project ahead of schedule while meeting quality requirements.

Quality Policy shall be reviewed periodically to ensure its validity and relevance in prevailing business scenario.
