AUTHORITY FOR THE BUY-BACK

The Buy-back is being undertaken by the Company in accordance with Article 4A of Articles of Association of the Company, the provisions of Sections 68, 69, 70 and 100 and other applicable provisions of the Companies Act, the rules made thereunder, the LODR Regulations to the extent applicable, and the Buy-back Regulations. Further, the Buy-back has been authorised by the Shareholders in the Extra – Ordinary General Meeting by a special resolution, the results for which were declared on January 24, 2023.

NECESSITY OF THE BUY-BACK

The Buy-back is being undertaken for the following reasons:

- a) The Buy-back will help the Company to return surplus cash to its members, holding equity shares and tendering under the Buyback, broadly in proportion to their shareholding, thereby enhancing the overall return to the members;
- b) The Buy-back, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as “small shareholder”;
- c) The Buy-back may help in improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders’ value;
- d) The Buy-back gives an option to the members holding equity shares of the Company, who can choose to participate and get cash in lieu of equity shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback, without any additional investment;
- e) Optimizes the capital structure and enhance investor confidence.

MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUY-BACK ON THE COMPANY

The Buy-back is not likely to cause any impact on the profitability or earnings of the Company, except to the extent of reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. The aggregate shareholding of the members of the Promoter and Promoter Group as on the date of the Public Announcement and the date of this Draft Letter of Offer is 8,06,25,603 Equity Shares, which represents 53.76% of the existing equity share capital of the Company. Assuming full acceptance of Equity Shares in the Buy-back the aggregate shareholding and the voting rights of the Promoters and Promoter Group of the Company, may change from the existing 53.76 % holding in the total equity capital and voting rights of the Company to [●]% of the post Buy-back Equity Share capital of the Company. The Promoters and Promoter Group of the Company are already in control over the Company and therefore such further change in voting rights of the Promoters and Promoter Group of the Company will not result in any change in control over the Company.

Assuming full acceptance of Equity Shares in the Buy-back the aggregate shareholding of the public in the Company shall change to [●]% post Buy-back from the current pre Buy-back shareholding of 46.24%.

Record Date and Ratio of Buy-back as per the Buy-back Entitlement in each Category:

The Company has approved Monday, February 13, 2023 as the Record Date for the purpose of determining the Buy-back Entitlement and the names of the Shareholders, who are eligible to participate in the Buy-back.

The Equity Shares to be bought back as a part of this Buy-back is divided into two categories:

- (i) Reserved category for Small Shareholders (“**Reserved Category**”); and
- (ii) General Category for other Eligible Shareholders (“**General Category**”).

As defined in the Buy-back Regulations, Small Shareholder includes a shareholder, who holds shares whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than ₹ 2,00,000. For the purposes of classification of a shareholder, as a “small shareholder”, multiple demat accounts having the same permanent account number, in case of securities held in the demat form, or joint holders with identical sequence of names, in case of securities held in the physical form, are to be clubbed together. As on Record Date, the closing price on [●], having the highest trading volume, was ₹ [●] per Equity Share. Accordingly, all Eligible Shareholders holding not more than [●] Equity Shares as on the Record Date are classified as ‘Small Shareholders’ for the purpose of the Buy-back.

Based on the above definition, there are [●] Small Shareholders in the Company with aggregate shareholding of [●] Equity Shares as on Record Date, which constitutes [●]% of the total paid-up Equity Share capital of the Company and [●]% of the maximum number of Equity Shares which the Company proposes to buy back as a part of this Buy-back. [●]

Equity Shares were held by the other Eligible Shareholders in the General Category as on the Record Date.

In compliance with Regulation 6 of the Buy-back Regulations, the reservation for the Small Shareholders, will be higher of:

- (i) 15% of the number of Equity Shares which the Company proposes to Buy-back, being [●] Equity Shares; or
- (ii) The number of Equity Shares entitled as per their shareholding as on Record Date i.e. $(\frac{[●]}{[●]} \times [●])$, being [●] Equity Shares.

All the outstanding Equity Shares have been used for computing the Buy-back Entitlement of Small Shareholders since the members of the Promoter Group also intend to participate in the Buyback.

In case the total number of Equity Shares held by the Small Shareholders on the Record Date is less than [●] (higher of (i) and (ii) above), the maximum number of Equity Shares reserved for Small Shareholders will be restricted to the total number of Equity Shares held by the Small Shareholders as on Record Date.

Based on the above and in accordance with Regulation 6 of the Buy-back Regulations, [●] Equity Shares have been reserved for Small Shareholders. Accordingly, General Category for all other Equity Shareholders shall consist of [●] Equity Shares.

Based on the above Buy-back Entitlements, the Ratio of Buy-back for both categories is decided as below:

Category of Shareholders	Ratio of Buy-back*
Reserved category for Small Shareholders	[●] Equity Shares for every [●] Equity Shares held on the Record Date
General category for all other Eligible Shareholders	[●] Equity Shares for every [●] Equity Shares held on the Record Date

* The ratio of Buy-back indicated above is approximate and provides an indication of the Buy-back Entitlement. Any computation of entitled Equity Shares using the above ratio of Buy-back may provide a slightly different number due to rounding-off. The actual Buy-back Entitlement for reserved category for Small Shareholders is [●]% and general category for all other Eligible Shareholders is [●]%.

Clubbing of Entitlement

In order to ensure that the same Eligible Seller with multiple demat accounts/ folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Seller with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (Small Shareholder or General) and entitlement under the Buy-back. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Sellers holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/ foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/ sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body – broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

Fractional Entitlements

If the Buy-back Entitlement under the Buy-back, after applying the abovementioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buy-back Entitlement to tender Equity Shares in the Buy-back for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buy-back and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buy-back Entitlement or the number of Equity Shares tendered by them, whichever is less.
- b) Post the acceptance as described above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buy-back, shall be given preference and one share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buy-back Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptance per Small Shareholder shall be made in accordance with the Buy-back Regulations, that is, valid Acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom one Equity Share has been Accepted in accordance with the above, shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Small Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Draft Letter of Offer.

Basis of Acceptance of Shares validly tendered in the General Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Equity Shares tendered in the Buy-back by all other Eligible Shareholders in the General Category in the following order of priority:

- a) Acceptance of 100% Equity Shares from other Eligible Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buy-back Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- b) Post the Acceptance as described above, in case there are any validly tendered unaccepted Equity Shares left to be bought back in the General Category, the Additional Equity Shares tendered by the other Eligible Shareholders over and above their Buy-back Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Shareholders divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- c) Adjustment for fractional results in case of proportionate acceptance as described above:

- i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
- ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*”.

Basis of Acceptance of Equity Shares between categories

- a. In case there are any Equity Shares left to be bought back in one category (“**Partially Filled Category**”) after Acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be Accepted proportionately (valid Acceptances per Eligible Shareholder shall be equal to the additional outstanding Equity Shares validly tendered by a Eligible Shareholder in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the Partially Filled Category).
- b. If the Partially Filled Category is the General Category, and the second category is the Reserved Category, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom one Equity Share has been accepted in accordance with “*Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders*” will be reduced by one Equity Share.
- c. Adjustment for fractional results in case of proportionate Acceptance, as described above:
 - i. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not a multiple of one and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - ii. For any Eligible Shareholder, if the number of Additional Equity Shares to be Accepted, calculated on a proportionate basis is not in the multiple of one and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.
 - iii. In case of any practical issues, resulting out of rounding-off of Shares or otherwise, the Board or any person(s) authorized by the Board will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in Paragraph Process and Methodology for the Buy-back.

For avoidance of doubt, it is clarified that, in accordance with the clauses above:

- Equity Shares accepted under the Buy-back from each Eligible Shareholder, shall be lower of the following:
 - *the number of Equity Shares tendered by the respective Shareholder; or*
 - *the number of Equity Shares held by the respective Shareholder, as on the Record Date*
- Equity Shares tendered by any Eligible Shareholder over and above the number of Equity Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of acceptance.

In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Buy-back Committee or any person(s) authorized by the Buy-back Committee will have the authority to decide such final allocation with respect to such rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in section entitled “*Process and Methodology of Buy-back*” of this Draft Letter of Offer.

The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buy-back to the Clearing Corporation's bank accounts as per the prescribed schedule. The settlement of fund obligation for dematerialized shares shall be affected as per the SEBI circulars and as prescribed by BSE and Clearing Corporation from time to time. For dematerialized shares accepted under the Buy-back, such beneficial owners will receive funds payout in their bank account as provided by the depository system directly to the Clearing Corporation and in case of physical shares, the Clearing Corporation will release the funds to the Shareholder Broker(s) as per secondary market

payout mechanism. If Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by RBI/ the concerned bank, due to any reason, such funds will be transferred to the concerned Shareholder Broker' settlement bank account for onward transfer to such Eligible Shareholders holding Equity Shares in dematerialized form.

In case of Eligible Shareholders where there are specific RBI and other regulatory requirements pertaining to funds pay-out, which do not opt to settle through custodians, the funds pay-out would be given to their respective Shareholder Brokers settlement bank account for onward transfer to the Eligible Shareholders. For this purpose, the client type details would be collected from the Depositories, whereas funds payout pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by the Stock Exchanges and the Clearing Corporation from time to time.

Details in respect of Eligible Shareholder's entitlement for tender offer route will be provided to the Clearing Corporation by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporation will cancel the excess or unaccepted blocked shares in the demat account of the Eligible Shareholder. On Settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporation.

Eligible Shareholder will have to ensure that they keep their depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance of shares under the Buy-back. Excess Equity Shares or unaccepted Equity Shares, in dematerialized form, if any, tendered by the Eligible Shareholders would be transferred by the Clearing Corporation directly to the respective Eligible Shareholder's Depository Participant account. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the Shareholder Broker's depository pool account for onward transfer to the Eligible Shareholder.

In the case of inter-depository/ IDT, the Clearing Corporation will cancel the excess or unaccepted shares in target depository. The source depository will not be able to release the lien without a release of Inter Depository Tender Offer ("IDT") message from target depository. Further, release of IDT message shall be sent by target depository either based on cancellation request received from the Clearing Corporation or automatically generated after matching with Bid accepted detail as received from the Company or the Registrar to the Buy-back. Post receiving the IDT message from target depository, source depository will cancel/ release excess or unaccepted block shares in the demat account of the Eligible Shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/ message received from target depository to the extent of accepted bid shares from Eligible Shareholder's demat account and credit it to the Clearing Corporation settlement account in target depository on settlement date.

Any excess Equity Shares, in physical form, pursuant to proportionate acceptance/rejection will be returned back to the Eligible Shareholders directly by the Registrar. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buy-back by Eligible Shareholders holding Equity Shares in the physical form. Each Shareholder Broker will issue contract note and pay on behalf of the Shareholder the consideration for the Equity Shares accepted under the Buy-back and return the balance unaccepted Equity Shares to their respective clients. The Company Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buy-back.

Eligible Shareholders who intend to participate in the Buy-back should consult their respective Shareholder Broker for payment to them of any cost, charges and expenses (including brokerage) that may be levied by the respective Shareholder Broker upon the Shareholders for tendering Equity Shares in the Buy-back. The Buy-back consideration received by the Shareholders, in respect of accepted Equity Shares, could be net of such costs, charges and expenses (including brokerage) and the Company and the Manager to the Buy-back accept no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Shareholders tendering their Equity Shares in the Buy-back.

In case of certain shareholders viz., NRIs, non-residents etc. (where there are specific regulatory requirements pertaining to funds payout including those prescribed by the RBI) who do not opt to settle through custodians, the funds payout would be given to their respective Shareholder Broker's settlement accounts for releasing the same to such shareholder's account.

The Equity Shares bought back in the demat form would be transferred to the special demat account of the Company ("**Demat Escrow Account**") opened for the Buyback.

The Equity Shares lying to the credit of the Demat Escrow Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buy-back Regulations.

Participation in the Buy-back by shareholders will trigger tax on distributed income to shareholders (hereinafter referred to as “**Buyback Tax**”) in India and such tax is to be discharged by the Company. This may trigger capital gains taxation in the hands of shareholders in their country of residence, if outside India. The transaction of Buy-back would also be chargeable to securities transaction tax in India. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors prior to participating in the Buy-back.

THEREFORE, SHAREHOLDERS CANNOT RELY ON THIS ADVICE AND THE SUMMARY TAX IMPLICATIONS RELATING TO THE TREATMENT OF INCOME TAX IN THE CASE OF BUYBACK OF EQUITY SHARES LISTED ON THE STOCK EXCHANGE SET OUT BELOW SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

APPLICABLE PROVISIONS UNDER INCOME TAX ACT 1961 IN RELATION OF BUY BACK OF LISTED EQUITY SHARES

GENERAL

Indian Income tax follows tax year period from 1st April to 31st March. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the Income Tax Act 1961 ("ITA").

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her India sourced income or income received by such person in India. Vide Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India only on their Indian sourced income or income from business or professional controlled in India.

In case of shares of a company, the source of income from shares would depend on the 'situs' of the shares. As per judicial precedents, generally the "situs" of the shares is where company is "incorporated" and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the relevant Double Tax Avoidance Agreement ("DTAA") subject to satisfaction of the relevant conditions including non-applicability of General Anti-Avoidance Rule ("GAAR") and providing and maintaining necessary information and documents as prescribed under the ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

CLASSIFICATION OF SHAREHOLDERS

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in two categories as below:

a) Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP
- Others (corporate bodies): Company, Other than Company

b) Deemed Resident Shareholder:

- A non-resident individual being a citizen of India who is not liable to tax in any other country or territory by reason of domicile, residence or any other criteria of similar nature and has total income other than foreign sourced income exceeding Rs 15 lakh during the tax year.

c) Non-Resident Shareholders being:

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

BUY-BACK OF SHARES

Section 115QA of the ITA introduced w.e.f. June 1, 2013 contains provisions for taxation of a domestic company in respect of buy-back of shares (within the meaning of Sec. 68 of the Companies Act). In effect, the incidence of tax stands shifted completely to the Company and not the recipient of the buyback proceeds.

Before the enactment of Finance Act (No 2), 2019, this section was not applicable to shares listed on a recognized stock exchange. The Finance Act (No 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of equity shares of a company listed on a recognized stock exchange as well.

As per Section 115QA, listed companies making a public announcement of Buyback of shares on or after 5th July 2019 are required to pay an additional Tax @ 20%, plus Surcharge @ 12%, plus Health & Education Cess @ 4% on the Distributed Income.

Distributed Income is defined under section 115QA to include Consideration paid by the company on Buyback of Shares as reduced by the amount which was received by the company on issue of such shares, determined in the manner specified in Rule 40BB.

The tax on the distributed income by the company shall be treated as the final payment of tax in respect of the said income and no further credit therefor shall be claimed by the company or by any other person in respect of the amount of tax so paid.

Section 10(34A) of the ITA provided for exemption to a shareholder in respect of income arising from buyback of shares w.e.f. April 1, 2014 (i.e., Assessment year 2014-15). The Finance Act (No. 2), 2019 has also made consequential changes to section 10(34A) of the ITA extending the benefit of exemption of income from buy-back to shareholders in respect of shares listed on recognized stock exchange as well.

Thus, the tax implications on the following categories of shareholders are as under:

A. Resident Shareholders or Deemed Resident Shareholders

Income arising to the shareholder on account of buy-back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) of the ITA with effect from July 5, 2019.

B. Non-Resident Shareholders:

While the income arising to the shareholder on account of buy back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) with effect from July 5, 2019 in the hands of a Non-resident as well, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. The credit of tax may or may not be allowed to such non-resident shareholder to be claimed in the country of residence in respect of the buy-back tax paid by the company in view of Sec 115QA (4) and (5) of the ITA. Non-resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

TAX DEDUCTION AT SOURCE

Currently, there are no provisions for tax deduction at source in respect of income earned from transfer/ buyback of shares in case of resident shareholders/ deemed resident shareholders.

Given that income arising on account of the buy-back of shares is exempt from tax under Section 10(34A) of ITA, the same would not be subject to tax deduction at source for non-resident shareholders.

SECURITIES TRANSACTION TAX

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax at 0.1% of the value of the transaction will be applicable.

LIMITATION:

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

In view of the specific nature of tax consequences, shareholders, who are non-residents in India, in respect of tax consequence (including capital gain tax, if any) in their state of residence, are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant country or state tax law and provisions of DTAA where applicable.

The above note on taxation sets out the provisions of law in a summary manner only and does not purport to be a complete analysis or listing of all potential tax consequences of the disposal of equity shares. This note is neither binding on any regulators nor can there be any assurance that they will not take a position contrary to the comments mentioned herein.

Caveat:

The summary of the tax considerations as above is based on our understanding of the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.
